Profile Summary

Full Stack Developer with experience in Python, Django, HTML, CSS, JavaScript, and SQL. Worked on API development, user login, and database work during projects and an internship. Good at problem-solving, quick learning, and teamwork. Looking for an entry-level software developer role.

Education

MCA – Master of Computer Applications	2024–2026
Velagapudi Ramakrishna Siddhartha Engineering College (VRSEC), Vijayawada	
BSc – Bachelor of Science in Computer Science	2021–2024
Aditya Degree College, Srikakulam • CGPA: 7.19	

Technical Skills

Programming: Python, JavaScript, HTML, CSS
Frameworks: Django, Django REST Framework (DRF)
Databases: MySQL, SQL
Tools: Git, GitHub, VS Code
Soft Skills: Problem-Solving, Adaptability, Teamwork

Internship Experience

Python Full Stack Developer Intern

Completed a Python Full Stack Internship during my BSc degree. Worked on Python, HTML, CSS, and basic website development tasks.

Projects

Portfolio Website — HTML, CSS, JavaScript

Made a simple personal website to show my skills, projects, and contact details. Designed a basic and responsive layout using HTML, CSS, and JavaScript.

Job Portal Backend (Django REST Framework - DRF) — Django, DRF, SQLite

Built backend APIs for job posting, user login, user roles, and job applications. Used Django REST Framework (DRF) to create safe and clear API endpoints.

Blood Donation & Matching System — Django, Django REST Framework (DRF), SQLite

Developed backend features to match donors and patients based on blood group and need. Created DRF APIs for adding donors, sending requests, and showing matching results.

Certifications

Oracle Academy — DBMS Certification
Udemy — Python Programming Certification

Extra-Curricular Activities

Runner-up in a cricket tournament at VR Siddhartha College (MCA 1st Year)
